

# MACLEODBRADLEY

HAIR SALON & ONLINE BOUTIQUE

MacleodBradley Hair Salon is situated in the heart of West Didsbury, Manchester, on Lapwing Lane. Led by owner, Helen Bradley, the team offer a full range services and cater for both male & female clients.

At MacleodBradley, we believe in creating a total 'experience' for our guests and we concentrate on making the entire visit to the salon, from booking the appointment to leaving transformed, a fantastic experience. If your appointment is early in the day, we can arrange a [fresh breakfast](#), delivered directly to your styling station. If you need to catch up on your emails or prep for a meeting, we have Wi-Fi available in the salon. We're also aware that sometimes you may not have the time to have a full pamper, but still want to look uber-glamorous, so we've introduced a [Blow Dry Bar](#) – a new look in just 30 minutes!

Ensuring that the salon is at the forefront of creative styling and trends, we are often competing for prestigious awards on a national basis, and can be found in the Good Salon Guide as a five star salon. We have been previous winners of the Schwarzkopf Colour Creative Team Awards and the overall Creative Team Award for the North. Our stylists are also regularly in demand for fashion shoots. We ensure that our whole team is trained in all aspects of styling, cutting & colouring so that the experience you receive is always the very best. We can also offer a full make-over service on a Saturday, with our make up artist, Samantha Metcalfe...

We are confident that every guest will leave our boutique salon feeling luxuriously pampered, refreshed and reinvigorated, because we're...

*“...not just hairdressers,  
we make people feel  
good about themselves”*
